Tasting Notes

- **Appearance:** Yellow straw color.
- **Nose:** Fresh and intense, with aromas of tropical fruit (mango, melon), stone fruit, citrus, and herbal notes over a mineral background.
- **Palate:** Lively and balanced, with refresing acidity that brings persistence and energy. Fruity and mineral finish.

Style profile

- Intensity
- Freshness
- Fruitiness
- Complexity

Description

Designed for modern wine lovers, Casilla del Guapo Sauvignon Blanc is a vibrant and expressive single-varietal white that captures the authentic freshness of the grape. Lees ageing enhances balance, textura, and gastronomic appeal.

Winemaking

Night-harvested and gently pressed with minimal skin contact to preserve varietal purity. The clarified must ferments slowly at 14-15°C and ages on the fine lees with bâtonnage, gaining roundness, balance and complexity.
