Description

The Traditional Range embodies the soul of Gran Feudo and our connection to its origins. These are honest, unpretentious wines that have accompanied generations, speaking clearly through their character and heritage.

Winemaking

Each variety is fermented separately in stainless steel tanks at 26–28° C for 10 days, completing both alcoholic and malolactic fermentation. After blending, the wine is aged for 12 months in American and French oak, gaining complexity and balance.

Grape variety

Tempranillo, Garnacha, Cabernet Sauvignon, and Merlot reflect the versatility of Navarra's vineyards. Tempranillo provides structure and black fruit, Garnacha adds freshness and roundness, while Cabernet and Merlot contribute depth and complexity, resulting in a balanced, expressive red.
